THE TIGER'S ROAR
1945

LAWRENCEBURG, INDIANA

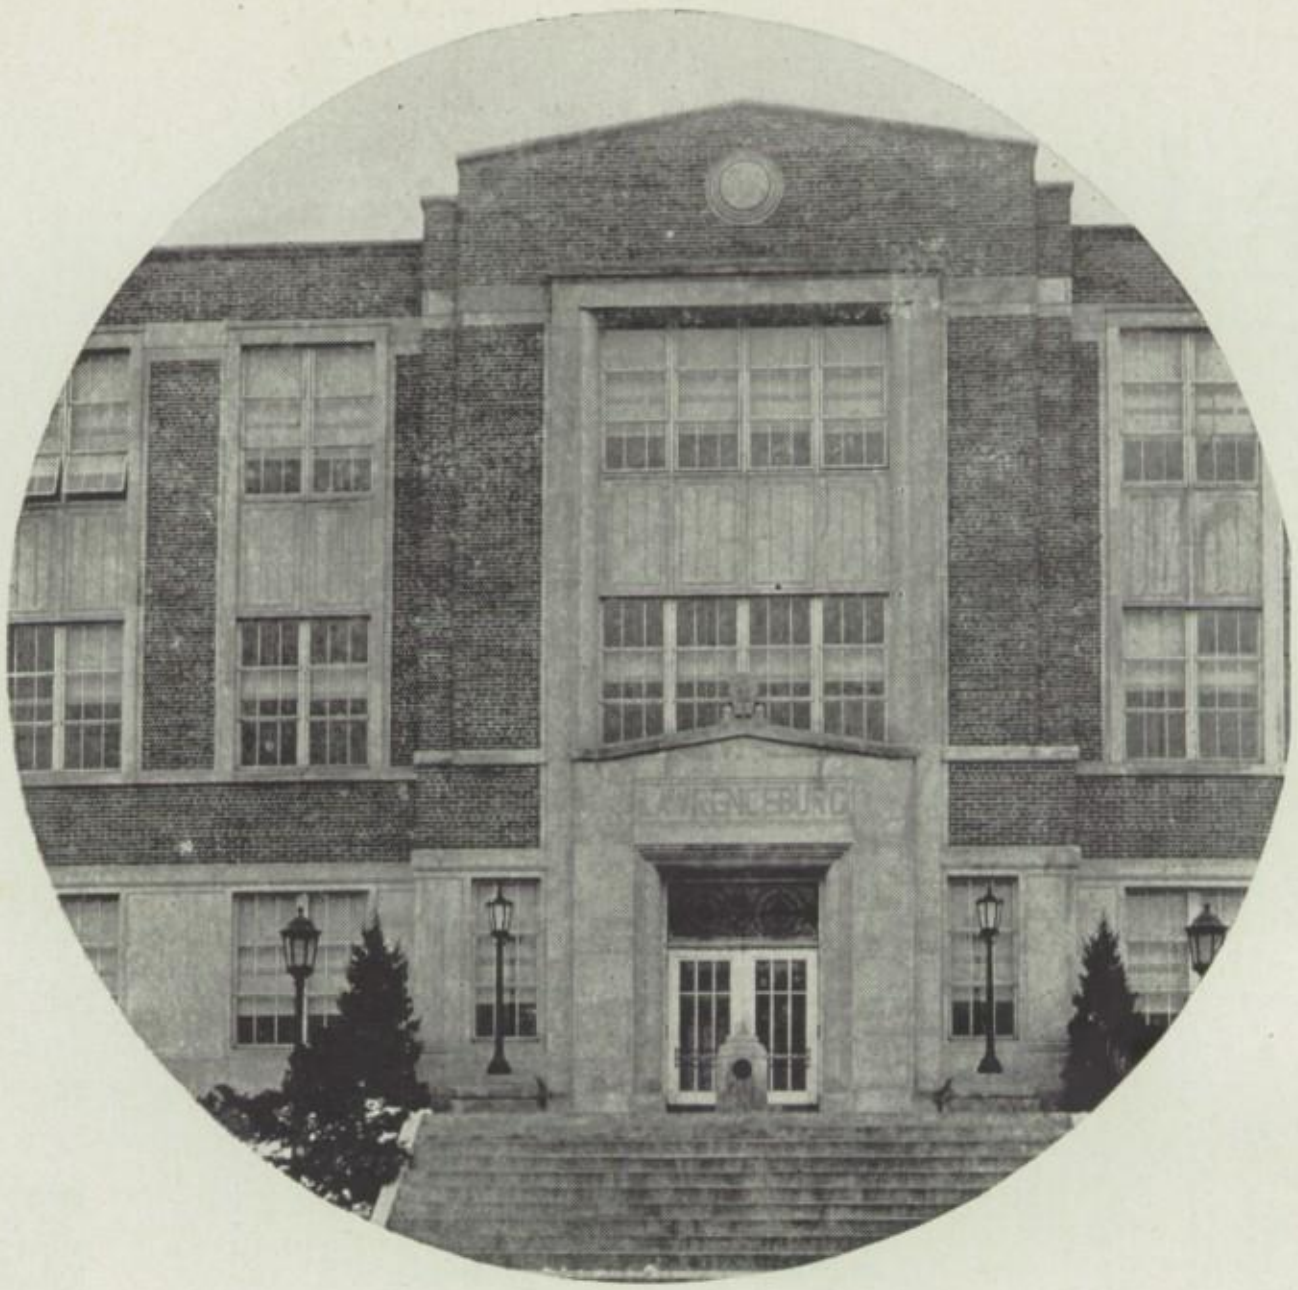
Jean Pribble

Under the Big Top

Again the Tiger's Roar resounds through the winter quarters of LCHS circus. This year has been filled with many interesting performances which will easily be recalled by those of the circus family. The performers, trainers, and ring leaders this year have done their work well and their acts will long be remembered. Through the pages of this publication it is the hope of those in charge that you may see with us the show of the 1944-45 school year under the Big Top at LCHS.

The Big Show

Hurry! Hurry! Hurry! Bring your popcorn, peanuts, and pink lemonade along and see the big sensation of the year. Get your ticket now and join in with the rest to see the show in the Big Top get under way. Monkeys, tigers, elephants, too, all will give you plenty of laughs and scenes you will never want to forget. Don't wait, come right along and see the big sensation in all its glory.



at Lawrenceburg Consolidated High School

The headquarters of the circus now showing are located at Lawrenceburg, Indiana. Here is where we practice and learn new acts so that we can go out on the "road" and give our best to the public.

We, the students of LCHS pay honor to our fellow students who have joined the various branches of service to help win the war.

Their absence is felt with sorrow and admiration by the teachers and the student body. The entire school knows that they are doing a heroic job and praise them for their loyalty to their country.

These boys gave up the pleasures of everyday life to protect and defend the rights and privileges of every man and woman.

We are proud to have known these boys and to have had them as classmates and friends, and it is to them that we dedicate this yearbook.

SCHOOL BOARD

The Big Top at LCHS is kept under control by the Board of Directors. It is the duty of this board to write the acts and see that they are carried through to the end.

The directors are deserving of all the praise that is bestowed upon them by the student body. Their deep interest in the outcome of the acts in LCHS has made this school one of the best in southern Indiana.

Mr. O. M. Keller heads the board and he is assisted by: Mr. Paul B. Houston, Mr. Arthur Seibert, Mr. Louis Rodenberg, Mr. C. W. Greive, Mr. Carl Roemer, and Mr. John D. Roush. All of these directors are well fitted to direct and guide the students under the Big Top.

ADMINISTRATION

MR. HARRISON is the ring master under our Big Top and is completing his third year of being a successful superintendent. Through his untiring effort, he has accomplished much in making LCHS one of the outstanding schools of southern Indiana.

MR. PRATHER, our master of ceremonies, assumed the position of principal, science instructor, and dean of boys this year. He taught formerly at Frankfort, Bedford, and before that at Aurora.

MRS. PATSY CRIDER, secretary under the Big Top for six years, has won the love and respect of her fellow troupers through her willingness to help at all times and her pleasing personality. Her great ability to do the many tasks that arise will long be remembered.

CLYDE SCHEIBLER

Mr. Scheibler is head of the roustabouts who keep the Big Top clean and in good order. He raises the American flag and Minute-Man flag each morning. He sweeps, scrubs, and cleans the Big Top and all the smaller side shows.

"Scheib" has been with the Circus eight years. He is always around and ready to help the troupers and their trainers any time he is needed.

You now behold the hardest working act in the circus. Not only do the Juniors perform daily for the ringmasters, but they are also in charge of the concessions. At every performance of the basketball and football teams, the Juniors were seen selling cokes, candy, and potato chips. One of their side concessions was the sale of pencils, pins, and potholders. These versatile performers made their own posters for their bake sale, which was a tremendous success.

Another outstanding event was their play, "Don't Take My Penny." All this was, of course, leading up to the climax of the year, the Junior-Senior Prom, which was a very impressive occasion.

The capable sponsors who stood behind the Junior class were Miss Ruth Bertsch, Miss Celeste O'Shaughnessy, Miss Mildred Cole, and Mr. Fred Marlette.

The brilliant shade of green which announced this act last year in its initial appearance under the Big Top has quickly faded. These people have become veteran troopers and are getting top billing this season.

In the State Solo Contest Carolyn Kern, William Fox, and Paul Perrine represented their class and each succeeded in bringing home a second place award. Russell Freeland, Charles Warburton, John Calvert, John Marble, and Paul Tremain have made a fine showing on the basketball and football teams this year.

The business world has something to look forward to when the commercial-minded members of this class leave the Big Top. Marge Stryker was the first Sophomore to be awarded the 60-word typing pin, and Anna Bentle, Doris Kittle, Mary Weismiller, Carolyn Kern, Glenn Snelling, and Betty Warburton have received 40-word typing pins.

The entire class has supported all school activities and willingly cooperated at all times.

FRESHMAN CLASS

President ..... Roger Kittle
Vice-President ..... William Tibbetts
Secretary ..... Barbara Roemer
Treasurer ..... Jane Webb

In this ring, we have the newest act of our circus—the Freshmen, who expect to be the biggest and best act by 1948. They already have the largest enrollment with some 80 students. Although the green was very obvious at the beginning of the year, you can no longer distinguish the Freshies from the other students.

Four Freshmen entered the State Solo Contest at Terre Haute. Of these, Barbara Roemer won a first division, Jane Webb and Evelyn Spargo received second divisions, while Jim Harrison received a third division placement.

The Freshmen have shown their patriotism and willingness to cooperate by participating wholeheartedly in the stamp and bond sales.

Those who sponsored the class were Miss Ruth Kirtley, Miss Vivian Jeffers, and Mr. Herbert Volland.

Senior Class History

It was just four years ago that some of us got together and decided to exercise our talents under the Big Top at LCHS. With Alice Lee Sartin as the chief guide and Tom McLeaster and Dick Kaffenberger as assistants, we gradually learned the "ropes" of this new life.

Of course, it takes quite a long time to learn new tricks, so in our sophomore year we were almost ready to do our first performance under the Big Top. Joe Lacy, the star performer, guided us in our training.

The big day has arrived! Our first performance was "Plane Crazy", the junior class play. Between school work, book reports, parties and rehearsals for the play, we managed to find some time to sell pencils, cokes, pins and candy to earn money for the biggest and best performance of all. With the "World of Tomorrow" as the theme, the Junior-Senior prom was a big success.

Our last great triumph under the Big Top was the senior class play, "Little Women". It was the first costume play given at LCHS in five years. The four sisters were played by Jean Metz as Meg, Lenore Buchanan as Jo, Juanita Vetter as Amy, and Jackie Willen as Beth. Linda Berkshire and Jack Lemm were starred as Mr. and Mrs. March with Eneas Barrott as John Brooke, Dick Kaffenberger as Laurie, and Bill Ross as Professor Bhaer.

Now as we are preparing for our last great act under the Big Top, we happily look back on the great thrills that came with our many outstanding acts. We look to the day we take our place in the "outside world" and put all of our "hard-earned" knowledge to use.

The staff of the circus yearbook got things under way early in the season. They took pictures and wrote articles, they sold ads and subscriptions, and they put in harder work than they ever had before in the preceding three years.

This panorama is presented by the staff to all the trainers and troupers who have walked along side by side through the year. May this book be a permanent record of our happy high school days under the Big Top.

We wish to express our appreciation to our sponsors, Mrs. Malone and Miss Grogg, for their willing cooperation and endurance, and to thank Mrs. Malone for taking pictures. We also acknowledge the help given us by the Indianapolis Engraving Company, the Lawrenceburg Press, the Whitney Studio and all our advertisers.

HONOR GROUP

The "star performers" of the Big Top! These are the students who have maintained a "B" average during their stay at the Big Top. Their motto has been: "Get your lessons every day and the grades will take care of themselves." It works, too! It means more than just glancing at your books each day—read your lesson thoroughly and study it with enthusiasm. Higher education is required in finding almost any kind of job today, so don't slide over your lessons; keep those grades up above "C" level. You'll even feel better taking home a "Grade A" credit book to your parents every six weeks. Try it once and see, just as this honor group has done.

We want to congratulate this fine group of performers and extend special congratulations to three Senior troupers. Those three are Linda Berkshire and Eneas Barrott who won scholarships to Purdue University and Jean Metz who won a scholarship to Indiana University. Keep "plugging" away at those grades, and let's have a larger group of honor students next year.

The publicity department of our show, better known as the **L Hi News,** operated its twenty-eighth season with the LCHS circus and properly commemorated the event by enlarging the paper to a six page publication and working diligently to improve its contents.

Foremost in the innovations was a new editorial page setup with a full, double-width column of editorials on school events and other things of general interest to the students appearing in each issue. This column was the chief means used by the staff to boost any and all organizations, events and campaigns which were connected with the school.

Several new columns were initiated in this year's editions with "Sport Scenes", a column of sidelights on Tiger sports, and the "Whopper Club," a liar's free-for-all, enjoying the greatest popularity.

1st Row—B. Lamkin, Greive, Metz, McLeaster, Spanagel
2nd Row—Mrs. Ogden, Alexander, Kirsch, Levy, Kittle

Most of the old columns which had proved to be enjoyable were retained. Among these were: "The Tiger Salutes," a column devoted to the recognition of outstanding acts on the part of students, faculty and organizations; "Just Browsing," a literary column which reviewed, briefly, books of interest to members of the student body; "The Armed Forces," news and items concerning LCHS graduates and former students in the service of our country; and Dear Jane and Joe, an open letter to members of the armed forces which told of events and happenings in the school.

One of the things of which the staff was most proud was its continued efforts to promote worthy causes in the school, principally the War Bond sales campaigns and participation in extra-curricular activities. The **L Hi News** was completely behind every activity and organization and did its utmost to aid them.

The Press Club aided the war effort in other ways as well. At the end of the first semester editor Tom McLeaster entered the Navy and reporter Fritz Baker entered the Army. Later in the school year, sports editor, Mike Hafenbrille, also left to enter the Army.

Following advice given them by the National Scholastic Press Association, the Staff worked long and hard to improve the quality of their work. At the end of the first half of the publishing year they submitted the first eight issues to the Press Association for judgment and received a Second Class Honor Rating, having been against some of the stiffest competition in high school journalism.

As a result of their efforts, the paper enjoyed one of the largest circulations in its history with townspeople and graduates, especially those in the service, figuring largely in the final total.

HI-Y

President ..... Charles Alexander
Vice-President ..... Eneas Barrott
Secretary ..... Tony Gilb
Treasurer ..... Don Standriff

One of the most active groups in our LCHS circus is the Hi-Y. It is a junior organization of the Y. M. C. A. The ideals for which it stands are clean speech, clean scholarship, clean athletics, and clean living.

Several times during the year Hi-Y presented convocation programs. One was a Navy radio skit telling how Navy Day came to be and some of the experiences and feelings of our Navy men and women. Another was a radio play to show the student body just how a Hi-Y club functions —what it is and does.

The Hi-Y has left winter quarters to attend two conferences, the Ninth District Meeting at Connersville and the Older Boys' Conference at Richmond.

Mr. Volland, the sponsor, made several trips with the boys to Greensburg and Cincinnati for swimming and recreational activities.

TRI-HI-Y

President ..... Linda Jane Berkshire
Vice-President ..... Betty Ruscher
Secretary ..... Patty Lou Hayes
Treasurer ..... Dorothy Moody

The purpose of the Tri-Hi-Y is to create, maintain and extend throughout the school, home and community high standards of Christian character. The slogan is "Pure thoughts, pure words, pure actions".

Under the leadership of Miss Rolison for two years, a membership of twenty-five girls has attempted to carry out the aims of the club.

The activities of the organization this year included: the formal initiation on November 10, the bringing of the Christmas spirit to our school by decorating the doors of the class rooms and the entrance doors and windows. The annual Mother and Daughter Banquet was held February 14. After the banquet Miss Rolison gave a brief talk on the purpose of the Tri-Hi-Y.

LATIN CLUB

President ..... Jack Macy
Vice-President ..... Jane Geisert
Treasurer ..... James Harrison
Secretary ..... Evelyn Spargo

Miss Ruth Bertsch is the efficient trainer for the Latin troupers. She has worked hard and faithfully with them to show them the usefulness of Latin. At Christmas time this troupe sang carols through the halls. They made a very impressive sight in choir robes and with faces beaming with reflected light of the candles which they carried. It now has become a tradition for the Latin Club to do the caroling each year at this time.

During their meetings they had fun along with the learning of Latin. Sometimes at meetings the troupers played bingo and at other times anagrams in which Latin words could be used. Everyone enjoyed himself especially when the refreshments were served.

STUDENT COUNCIL

President ..... Bill Ross
Vice-President ..... Lenore Buchanan
Secretary ..... Dorothy Moody

One of the attractions in this four-ring circus is the Student Council which is directed by the ring master, Mr. Harrison.

It is made up of two chosen representatives from each class. The main reason for having this show is to make the government of the school more democratic. The entertainers discuss and try to solve problems that come up in the circus affairs.

The Student Council backed the sale of war stamps and bonds by suggesting that students buy a jeep. After they bought the jeep in record breaking time, they started a campaign to buy an ambulance which also was purchased in less than the scheduled time.

The trainers and entertainers have appreciated the performance of the Student Council throughout the year.

DRAMATICS CLUB

President ..... Jean Knue
Vice President ..... Lenore Buchanan
Secretary ..... Lucy Theis
Treasurer ..... Darlene McLeaster

The Dramatics Club started this year by electing the above officers. The club held its informal initiation last fall at the Conservation club in Greendale. The old and new members enjoyed a dinner followed by dancing.

There are ten Thespians in this club and four of them are Star Thespians. These people are members of the National Thespian Honor Society which was organized in LCHS four years ago. They are Lenore Buchanan, Linda Berkshire, Mary Ann Roemer, Bob Hayes, Leo Bovard and Lucy Theis. The following are Star Thespians: Jean Knue, Eneas Barrott, Bob Jerger and Darlene McLeaster.

Ten points are required to become a Thespian and twenty points for a Star Thespian. These may be acquired by being in a play, setting up scenery, getting properties, and doing other things necessary to make a production be a success.

Besides giving plays, the Dramatics Club brought to the Big Top the Taterman Marionettes from Western College.

Miss Ruth Bertsch has been responsible for the successful plays presented and for bringing the club interesting programs.

CLASS PLAYS

Two of the biggest events of the year under the Big Top were the Junior Class play and the Senior Class play, the former presented on March 22 and the latter on May 10.

The play presented by the Junior troupers, "Don't Take My Penny," was the story of the Pringle family. Penny, the younger daughter, stage struck, wanted the lead in "Stars in Her Hair," much to the consternation of her college boy friend. The story ends happily with Mavis, Penny's older sister going into the movies instead of Penny, and Penny deciding that she would rather be a tennis champion anyway.

The Senior performers gave "Little Women", the first costume play to be presented under the Big Top in five years. It is the story of the March family: father, Jack Lemm; Marmee, Linda Berkshire, and the four daughters. Meg, the eldest, Jean Metz, falls in love with John Brooke, Bud Barrott, and marries him in spite of the opposition of Aunt March, Betty Ruscher. Jo, Lenore Buchanan, who decided on a literary career finally realizes that she loves Mr. Bhaer, a German professor, Bill Ross. Beth, Jacqulyn Willen, provides the pathos when she dies of scarlet fever. Amy, Juanita Vetter surprises everyone by marrying Laurie, Dick Kaffenberger, the boy next door.

COMMERCE CLUB

Vice-President ..... Doris Kittle
Secretary ..... Marcia Scheibler
Treasurer ..... Joyce Oney
Reporter ..... Rosemary Hayes

Training in this compartment of the Big Top was the Commerce Club. It is made up of girl troupers who have taken a commercial course. This organization wants its members to become familiar with modern business methods and to know what performances their employers-to-be expect to see.

Many interesting activities were presented to the members in their training. These troupers took a tour through a bank, visited the Court House, held a meeting in a law office and conferred with a lawyer to learn something about the law profession, and were addressed by Mr. Dunning on the subject of the different kinds of insurance.

Sometimes the training lessened a little and the troupe had fun—all will remember the Christmas party at the tent of one of the troupers.

Miss Dorothy Drane was the director for this group.

HISTORY CLUB

President ..... Michael Hafenbritle
Vice-President ..... Elmer Posey
Secretary-Treasurer ..... Wayne Marks

Meeting under the Big Top was an active group under the name of History Club. These twenty-five performers were under the guidance of Mr. Volland who had been with them for three years.

The troupers had many interesting acts during the year: Mrs. Volland's talk on her European travels in 1934; Lt. Sonntag of Waterbury, Connecticut, speaking on Alaska where he had been stationed; and an interesting talk given by Mr. McCann, postmaster of Lawrenceburg, on the operation and details concerning a Post Office.

At the end of the first semester, the club lost its president, Mike Hafenbritle, to the armed services. Wayne Marks was chosen to take his place. So, you see, the History Club is patriotic as well as educational and entertaining.

Much credit is due Mr. Volland, who has endlessly worked and trained these performers all along the way.

SCIENCE CLUB

President ..... Bob Ross
Vice-President ..... Eneas Barrott
Secretary-Treasurer ..... Lenore Buchanan

The Science Club is one of the new attractions added to the Big Top show this year. This club is divided into three side-shows that deal with the future world of science.

The first group, the Projection Club, with Karl Korn as chairman, did a wonderful job in showing moving pictures and slides to the different classes. The boys were on the job, too, when movies were shown for convocation programs.

Ah, here's another side-show—the Camera Club. The lack of film prevented the students from "struttin' their stuff" but they did learn all about the camera and how to take good pictures in preparation for the post-war era.

Here's a side-show that really has a future—the Radio Club. Carolyn Green led the procession. They can fix anybody's radio!

Mr. Prather led this sideshow, bringing in many new ideas about the world of science.

G. A. A.

President ..... Patty Lou Hayes
Vice-President ..... Jean Metz
Secretary ..... Dorothy Moody
Treasurer ..... Carolyn Green

This troupe met once each week for the purpose of relaxation through physical activity. Recognizing that it was impossible for girls to enjoy inter-school competition a Girls' Athletic Association was founded and has been functioning now for several years. The girls are encouraged to enjoy sport for the fun of it rather than for the glory of winning. Participation in archery, basketball, bicycling, bowling, hiking, horse back riding, swimming, tennis, tumbling, volleyball and other sports is encouraged.

The girls are further stimulated to enjoy these activities and to earn awards that are given. The awards are made on the basis of a point system: 400 points—G. A. A. pin; 700 points—L letter; 1000 points—sweater; 1500 points—trophy.

Troupers who have earned sweaters this year are Patty Lou Hayes, Carolyn Green, Lenore Buchanan, and Dorothy Moody. Letters have been earned by Jean Metz and Vivian Lemmel.

F. M. A.

The Future Mechanics of America! Looking toward the future with grease and dirt on their faces, the trainees learned the principles of mechanics and electricity under the able leadership of Mr. Miller. This newly organized vocational shop of the Big Top is located on the southwest corner of Short and Center Streets.

The boys secured three cars—a Studebaker, Plymouth, and Chevrolet—on which they could practice the fundamental principles of overhauling a motor. They did well—the cars are still running! And if you ever want any electrical welding done, they will be only too glad to do it because that was part of their training, too. The center of attraction was the farm tractor and it served many useful purposes including transportation.

Although the vocational shop is not completed yet, it has a wonderful start. Future plans include plumbing, advanced electricity and a canning factory. We hope Mr. Miller has even a greater success with these new plans.

BAND

Every Big Top has its own band for advertising parades and general enjoyment. Ours not only plays to pep up the performers, but has put on concerts and exhibitions for the public.

When it is marching the band is ably led by Don Standriff, the drum major; Jean Metz, the drum majorette; Virginia Miller and Delores Black, the baton twirlers; and F. N. Marlette, director.

LETTERMEN

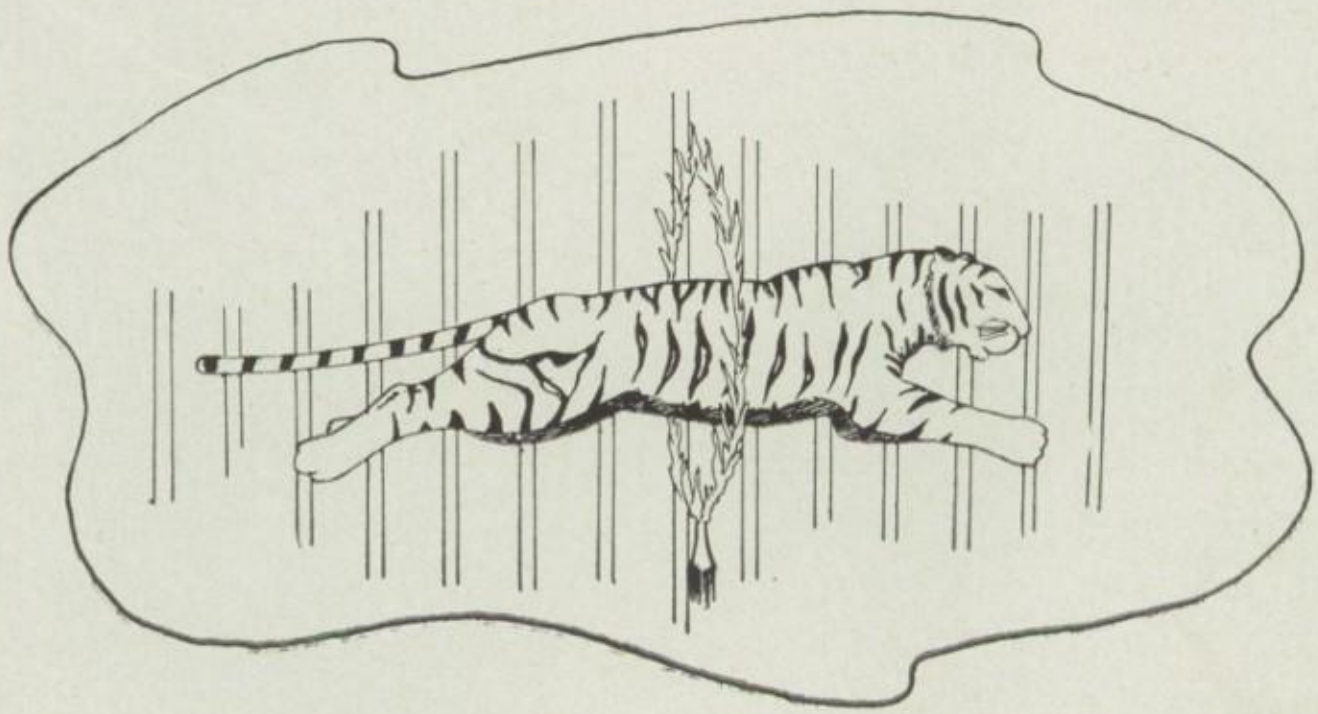
A highly coveted show under the Big Top is the Lettermen's Club. This club was organized for the purpose of promoting good sportsmanship and fair competition in high school athletics.

The Tigers who have won football letters this year are Eldon Barker, John Calvert, Bob Cooley, Jerry Gray, Charles Henson, Jack Kirsch, Jean- Knue, Karl Korn, Bill Kottas, Dick Kreinhop, Joe Lacy, Jack Lemm, Dale Lemmel, Bill Parker, Bob Ross, Dick Schneider, Richard Stadlander, Paul Tremain, Gerald Ulrich, Bill Vogel, Frank Weismiller, Bob Wood.

Basketball letters were won by Glenn Denning, Jerry Gray, Mike Hafenbritle, Jack Kirsch, Allan Oberting, Bill Vogel, Frank Weismiller, Bob Wood.

These troupers and others are proud of the letters they have worked hard to win in one or more of the major sports played under the Big Top.

Athletics



COACH BATEMAN

Coach George Bateman completed his fourth year under the Big Top as a trainer for the Tigers. He is the one who brought fame to the Big Top by walking away with top honors at the Sectional Tourney, climaxing a winning season in basketball.

"Bud" worked hard to inspire and instruct the Fighting Quintet on to victory and to good sportsmanship. We know in the coming seasons, Coach Bateman will always have a winning team.

COACH BATTHAUER

Coach David Batthauer started an eleven-man football team at season time. He worked hard with the boys by showing them new plays and line-ups. They played large schools to gain experience and learn different plays. Next season, "Dave" will have his boys ready to go and they will have a victorious season.

This spring Coach Battauer has led the Tigers in a new act performed on track and field.

Buchanan, Houston, Kinzer

CHEERLEADERS

Yea! Rah! Tigers! Fight! These were words often sent up under the Big Top by Cheerleaders Lenore Buchanan, Mary Lou Kinzer, and Bill Houston. The big job here for these three was to help boost the school spirit in support of the "Orange and Black Tiger Team", and they did a good job. They were seldom absent from the ring and this helped the team turn in fine performances.

Three other important performers seen under the Big Top many times this year were Ruby Snelling, Lenora Bovard and Patsy Shelton, cheerleaders for the "Tiger Cubs". Much credit should be given to the cheerleaders for their exhibition of good sportsmanship and their willingness to cooperate at all times.

JEAN KNUE, was one of the strongest parts of the Tiger line in both 6 and 11-man football. He was elected honorary captain of the squad.

RIGHT GUARD

CHARLES HENSON, overcame the handicap of small size to hold a position on the Tiger line and often held against opponents nearly twice his size.

CENTER

KARL KORN, also a newcomer to the gridiron sport, played great ball as first string center and dropped many an opponent to the dust.

LEFT GUARD

DALE LEMMEL, played football for the first time this year but his aggressiveness and determination proved valuable to the squad on many occasions.

LEFT END

JACK LEMM, played his second year on the team and was a valuable asset when Coach Batthauer needed someone to help stop enemy power drives.

STUDENT MANAGER

BILL ROSS, who carried the water jug and first aid equipment for the team was a familiar sight at all the games.

LEFT TACKLE

JOE LACY, was a sparkplug on the Tiger line. His highpoint came when he snatched an Aurora pass on the scrimmage line and raced forty yards for a touchdown.

QUARTERBACK

BILL PARKER'S speed was a contributing factor in the success of the team and his value as a pass receiver was great. He was chief ground gainer in many games.

RIGHT HALFBACK

FRANK WEISMILLER, proved to be a valuable asset to the team and his ball handling and passing helped the Tiger offensive to click on many occasions.

LEFT HALFBACK

JERRY GRAY, was the mainspring in the Tiger backfield and did most of the heavy work for the squad. He was the main passer and gained much yardage through the line.

FULLBACK

BILL KOTTAS, a newcomer to the school, played well with the Tigers and came in handy on many occasions as a defensive backfield man.

Football Season

Emboldened by the success of their 1943-'44 six-man football season in which they went undefeated, our Tiger grid team, under the expert leadership of Coach Dave Batthauer, confidently launched an ambitious schedule for '44-'45 which included both six and eleven man games against some of the toughest competition available.

When the final gun had sounded and the final play called, it found the Tigers had been on the low end of every match in eleven man football, often by large margins; but the team, bruised, battered and much wiser in the lore of the game, still undaunted, was already looking forward to their next season and a chance for revenge.

In six-man ball they had fared much better winning twice over their arch rivals, the Aurora Red Devils, who were the only nearby team still playing the quicker type of game.

Rushville 32 - Lawrenceburg 13

The Tigers dedicated Neary Memorial Stadium when they played a night game against a shifty team from Rushville. They fought hard but the football-wise Lions were too much for the Orange and Black.

Paced by speedy Bill Bradley and powerful Ray Reed the Lions outscored the Tigers 20 to 0 in the first half. In the third quarter the Tigers managed to click long enough to score a touchdown, Vogel carrying over for the score, and extra-point, Gray booting. The Lions also made a touchdown in the third period.

Weismiller passed to Vogel for the Tigers' other touchdown and another score by the Rushville squad made the final score 32-13 in favor of the visitors.

Woodward 33 - Lawrenceburg 6

On the following Friday, Woodward of Cincinnati traveled to Lawrenceburg to engage the Tigers in combat. They also were too much for the local team and specialized in power plays which the little Tigers fought valiantly but ineffectively to stem. Paul Crum led the Woodward attack and scored four out of five of the visitors' touchdowns, passing to a team-mate for the other. The Tigers' sole marker was made in the first quarter when the Tiger offensive carried the ball to the 2 yard line. After losing the ball on downs at this point the Tigers viciously broke up the first Woodward play and caused the visitors to fumble. Jean Knue recovered for the Tigers and Jerry Gray plunged over to score.

Holmes of Covington 47 - Lawrenceburg 0

Still confidently seeking their first eleven-man victory the Tigers traveled to Covington, Kentucky, where they engaged the former state champs, Holmes High School, and received a terrific beating. The Kentuckians played a brand of ball that had both power and deception with a good grade of passing for variety.

Their defense was very good and they stopped the hard-fighting Tigers on nearly every line play. The Orange and Black was unable to even endanger the Holmes goal line until late in the final quarter when they managed to complete three passes and drive to within 10 yards of pay-dirt before the gun sounded.

Lawrenceburg 29 - Aurora 12

After their defeats in eleven-man football the Tigers returned to the six man type of play to complete their season. The only remaining six-man football playing school was Aurora and the Tigers avenged their earlier defeats as they romped over the Red Devils.

Vogel scored on the first play of the game as he ran 45 yards on an end run and Gray passed to Joe Lacy for the extra point. A little later Gray passed to Kreinhop for another touchdown and to Lacy for the other extra point. Aurora scored two touchdowns in the first half, Fahey carrying both times, and the half ended 14 to 12.

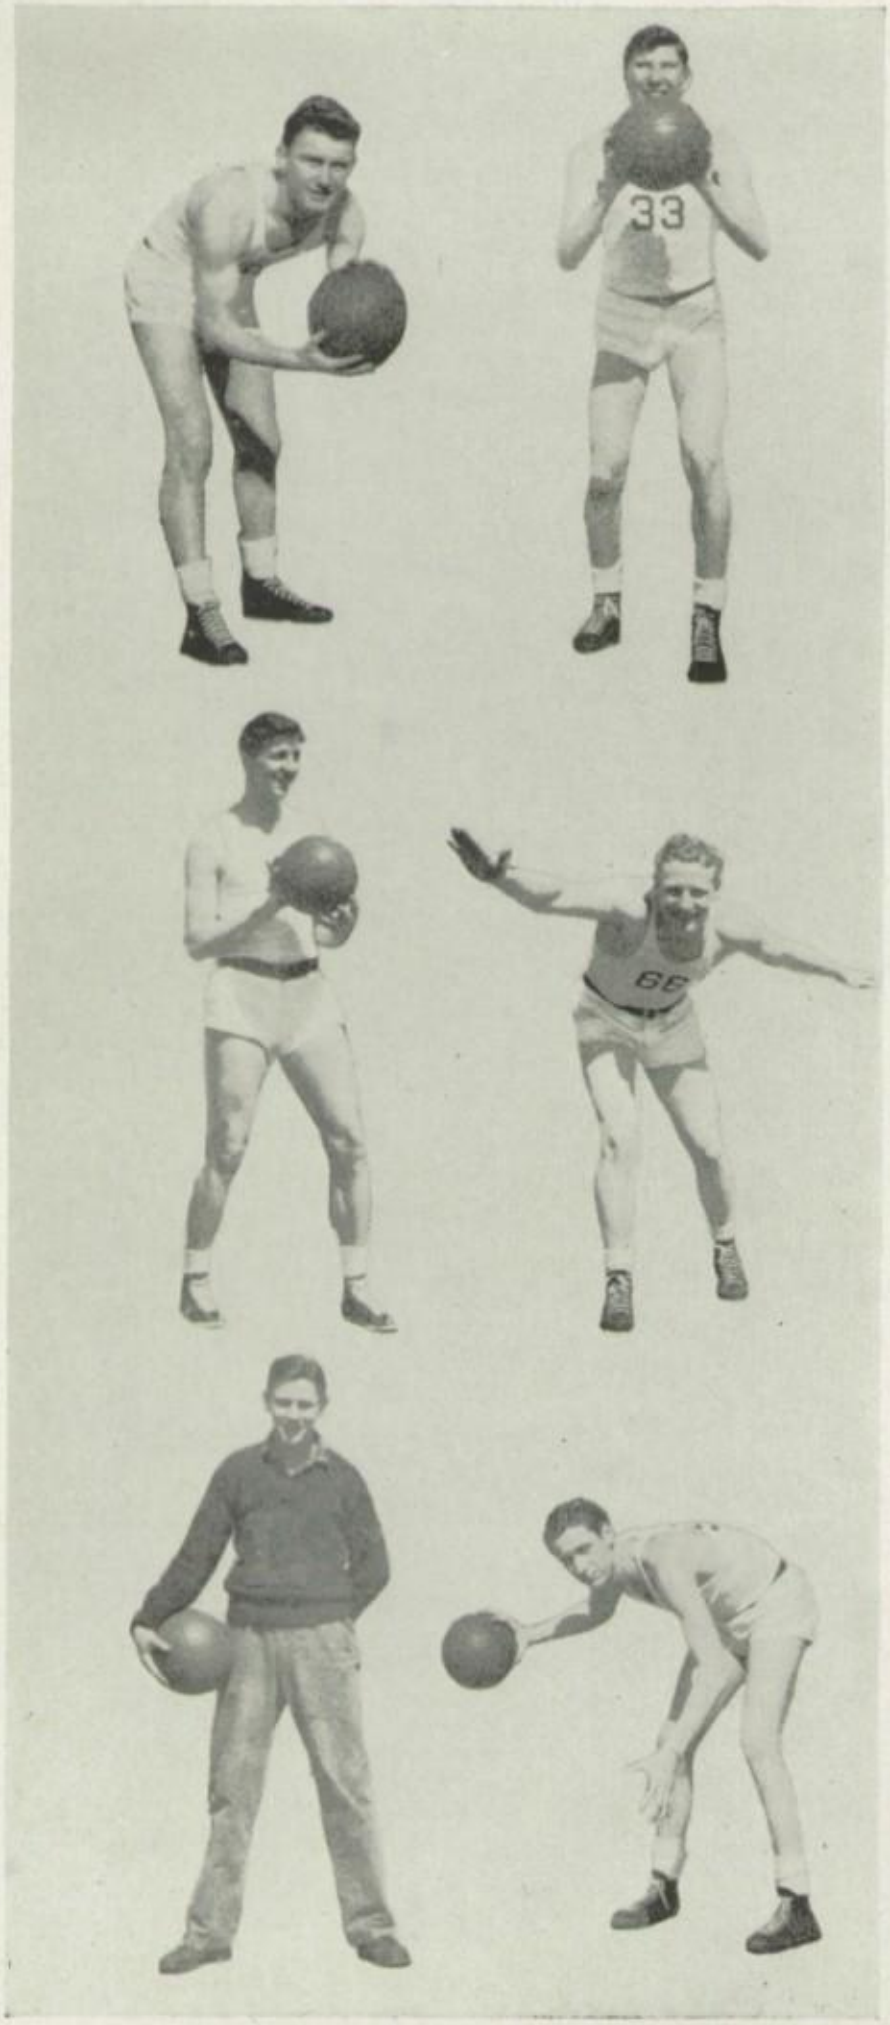
Joe Lacy opened second half scoring as he intercepted an Aurora pass on the line of scrimmage and ran it 40 yards for a touchdown. Gray converted with a drop-kick. Vogel completed the scoring with another touchdown in the fourth quarter and the Tigers were victors, 29 to 12.

Lawrenceburg 27 - Aurora 12

In the return match the Red Devils showed much improvement and gave the Tigers much trouble in defeating them. They used a series of power plays to score a touchdown early in the first quarter. Later they carried the ball to Lawrenceburg's yard line but failed to score. Lawrenceburg took possession of the ball and Jerry Gray ran the ball 75 yards for a touchdown. He passed to Lacy for the extra point and the Tigers led 7-6 at the half.

Bill Parker climaxed a Tiger drive in the third quarter as he scored from the five yard line and the Red Devils retaliated with a touchdown pass to Runyan. Late in the third quarter the Tigers made a quick march down the field and Gray went over to score again. Gray passed to Lacy for the extra point.

The final quarter saw only one touchdown. The Tigers had the ball on their own 26 yard line. Gray passed to Lacy who ran the ball to the Aurora's 15 yard line and lateralled to Vogel as he was tackled. Vogel scored and Gray passed to Lacy for the final point in a 27 to 12 Tiger victory.



GLENN DENNING (Senior)

"Bass" has rounded out his second year on the varsity. He had plenty of speed and fight, and was always dangerous with his long shots. His aggressive playing will be missed.

FRANK WEISMILLER (Senior)

"Bunk" had a nice eye for the basket, and was a steady player during his two years on the varsity. Being a senior, he leaves another place to fill in the Tiger machine.

MIKE HAFENBRITLE (Senior)

Following in the steps of his brother Bill, "Mike" is the second Hafenbritle to trot the hardwood. His one handed push shots have pulled many a game out of the fire for LCHS.

JERRY GRAY (Senior)

Fans will remember Jerry for his delayed action shooting and his ability to rebound. He helped us win many hard fought games but now must leave his number 66 for another Tiger to fill.

JACK LEMM (Senior)

Jack has tossed in the towels for the Tigers for the last time as he served as student manager in his senior year.

JACK KIRSCH (Junior)

Jack has come along with the rest of the boys for his first year on the varsity in his junior year. He should give his opponents something to worry about next season.

ALLAN OBERTING (Junior)

"Red" played in most of the games this year, and showed a real eye for the basket on long shots. He has one more year to fight for LCHS.

DON LACEY (Junior)

Don has plenty of drive which will be needed by the Tigers next year. Being only a junior, he can be counted on to do his share another season.

BILL VOGEL (Junior)

"Duke" is a fast and very dependable ball player. He was always on his toes and giving his best. He can be counted on to burn up the hardwood next year.

DICK SCHNEIDER (Junior)

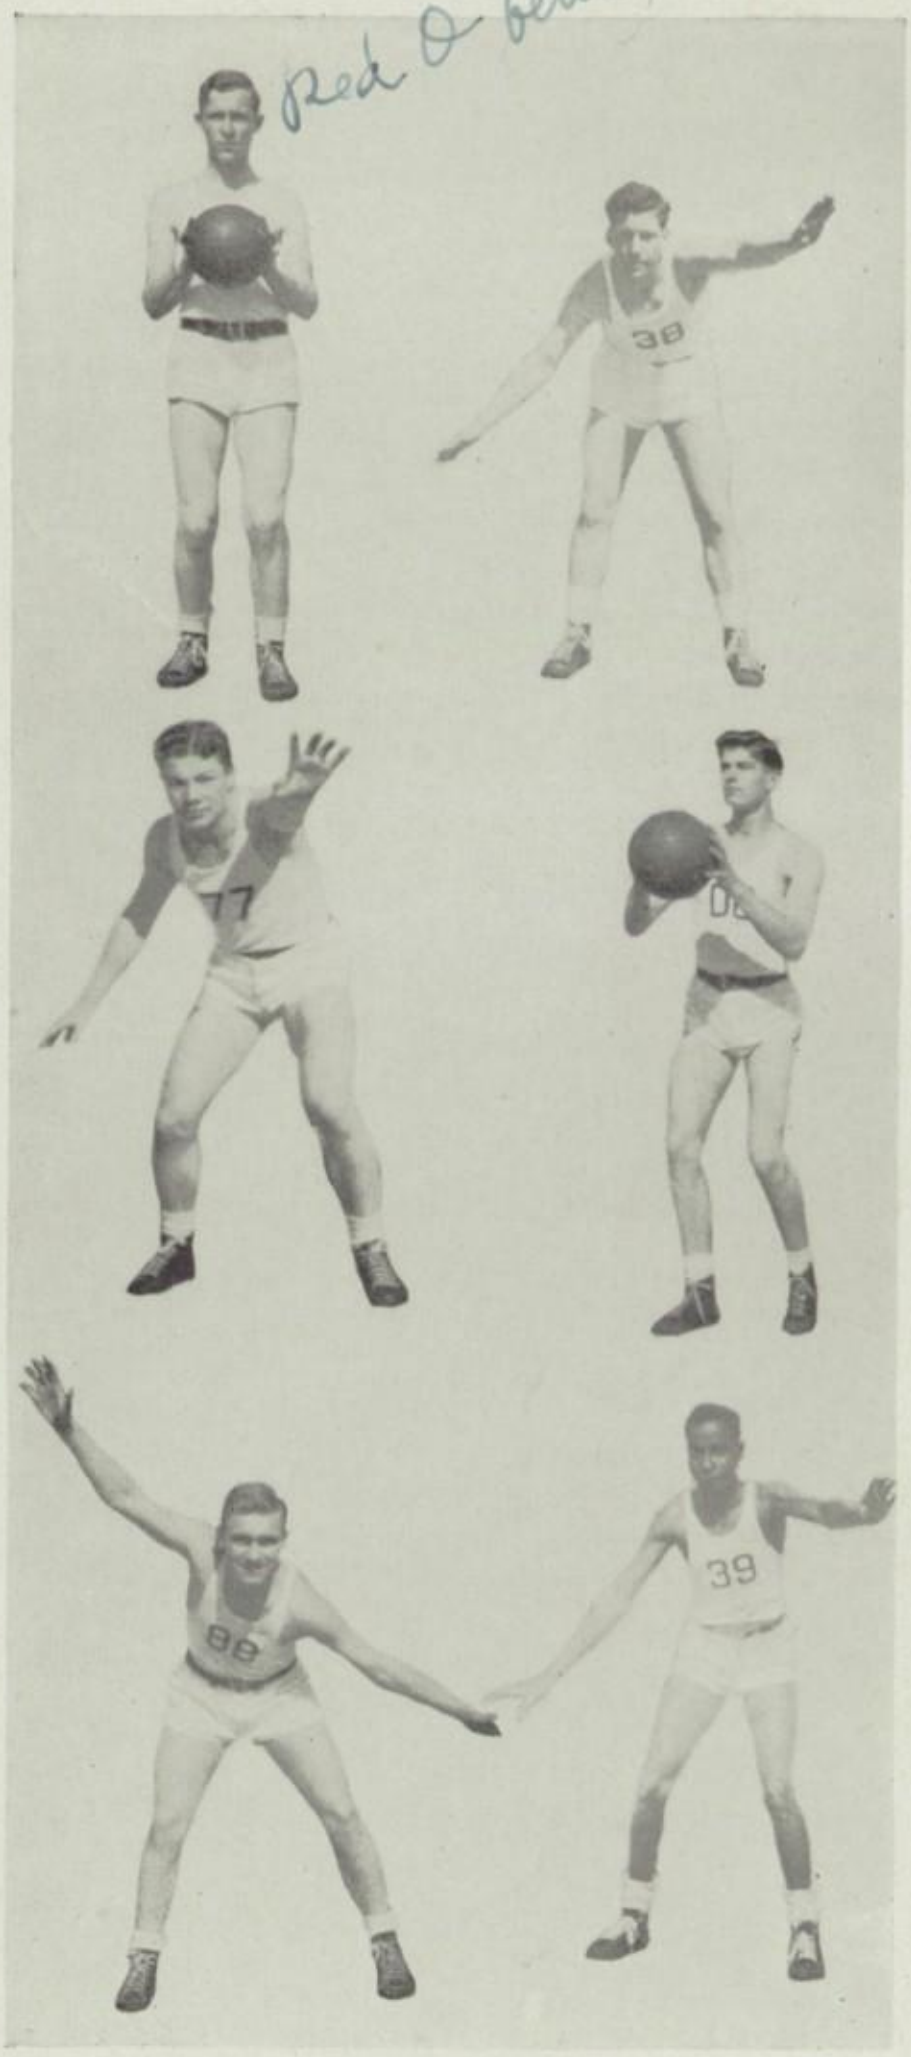
Dick will be in there fighting for a position on the Tiger first five next year. He has plenty of fight and determination.

BOB WOOD (Junior)

This is Bob's first year on the varsity. He is steady and a good shot. He has still another year to play for LCHS.

RUSSELL FREELAND (Sophomore)

"Deke" is only a sophomore, and has two years to look forward to. He was the only underclassman who had a chance to see action in the Sectional.



Basketball Season

Lawrenceburg 28 Vevay 24

The Tigers started their 1944-45 basketball season by defeating the Warriors. Lawrenceburg led in all quarters. Scoring honors were shared equally with Weismiller, Gray, and Hafenbritle pacing the offense.

Lawrenceburg 33 Aurora 35

Again the Tigers took a road trip only to drop a thriller to the Red Devils in the last few seconds of the game. Slayback parted the nets as the gun went off. Hafenbritle led the scoring with 12 points.

Lawrenceburg 39 Madison 54

The Tigers lost their first home game to Madison. The game was close until the third quarter, when the Cubs went ahead with a 10 point lead. Hafenbritle again led the Bateman crew with 16 points.

Lawrenceburg 30 Connersville 28

Paced by "Red" Oberting, who scored 12 points, the Tigers saw victory again by defeating a strong Spartan team. The game was close until the final gun went off with Tigers out in front. Weismiller making 9 points.

Lawrenceburg 21 Batesville 20

The Tigers traveled to Batesville. Having trailed for three quarters, they won their second close one within a week. Denning and Weismiller played nice games.

Lawrenceburg 48 North Vernon 38

The Tigers keep rolling. Coach Bateman played eight men in the contest. Vogel and Wood played nice floor games. Jerry Gray led the scoring with 18 points.

Lawrenceburg 32 Rising Sun 28

Playing on their home floor, the Shiners held the Tiger offensive power to 32 points. Gray paced the locals again with 9.

Lawrenceburg 43 Greensburg 29

Taking an early lead, the Tigers played their best game of the season. "Bass" Denning thrilled the fans with long shots before the final gun went off. "Mike" Hafenbritle led the scoring with 15.

INVITATIONAL TOURNEY

Lawrenceburg 36 Batesville 23

The Tigers opened the Tourney with a hard earned win over Batesville. Denning played aggressive ball.

Lawrenceburg 36 Aurora 40

The Tigers had a bad start with the Devils taking the lead in the first quarter. Playing hard in the final quarter, the Bateman five made a comeback, but were on the short end of a 40-36 score.

Lawrenceburg 18 Batesville 30

Again the Tigers met defeat. Being behind most of the game, the Bulldogs went ahead to win 30-18. Weismiller led the scoring.

Lawrenceburg 27 Scottsburg 30

The Warriors, Southeastern Conference Champions, won a thrill packed contest in the final minutes of the game 30-27. The locals were ahead most of the

game, having a 27-24 lead with three minutes to play. Gray collected 12 points.

Lawrenceburg 33 Aurora 32

Ah! sweet revenge after two defeats earlier in the season, the Tigers came back leading 23-6 at the halftime. The Red Devils came back fast to make the score 32-32. Gray made a foul shot in the last few seconds to give the locals a one point lead.

Lawrenceburg 45 Liberty 34

The Tigers took the Warriors into camp by the tune of 45-34. Our boys played a strong second half scoring 35 points in this half of the game.

Lawrenceburg 47 North Vernon 30

Our Tigers invaded North Vernon returning with a 47-30 score. The Panthers managed to stay within 8 points of the Tigers until the second half. Denning and Hafenbritle took scoring honors with 12 and 11 respectively.

Lawrenceburg 35 Vevay 27

In a hard fought game the Tigers turned the tide in the third quarter when Oberting and Hafenbritle hit quick baskets to take the lead. Scoring was done by Hafenbritle with 13 and Oberting 9.

Lawrenceburg 36 Rushville 37

After leading most of the game the Tigers failed to hit many easy shots and the Lions took this advantage by keeping close on the heels of the Tigers. With the score 36-34, with a half minute to play Bradley took the ball under the hoop to tie the score. In the act of shooting he was fouled. Making the free attempt, he put Rushville ahead 37-36.

Lawrenceburg 40 Hagerstown 30

The Tigers took a long trip to Hagerstown. They had enough points and brought home the bacon.

Lawrenceburg 30 Elder 52

Playing at the Xavier Field House in Cincinnati the Tigers took one on the nose from the Class A champions of Cincinnati. The big floor puzzled the local boys.

Lawrenceburg 19 Madison 34

Playing the last game of the season at Madison the fast stepping Eddymen handed our Tigers a walloping. The last scheduled game for "Bunk", "Mike", "Bass", and Jerry. Many fans were lost in a blizzard.

SECTIONAL

Lawrenceburg 30 Rising Sun 26
Lawrenceurg 35 Aurora 29
Lawrenceburg 32 Vevay 27

The Tigers improved over their last two defeats of scheduled games to win the 1945 Sectional Tournament. After beating a strong Rising Sun team the Tigers faced the Aurora Red Devils, who were heavy favorites, only to defeat the Devils. In the final game Lawrenceburg fans sat on edge as the Tigers were taking the Vevay Warriors. It was in the last minute that "Mike" Hafenbritle scored three quick baskets to put the Tigers ahead.

REGIONAL

Lawrenceburg 26 Liberty 20
Lawrenceburg 35 Rushville 50

The Tigers earned their way to the finals by defeating a strong Liberty team. Over 400 Lawrenceburg fans made the trip of 60 miles to Rushville to see the Tigers play. In the final game the Tigers took the lead against the fast breaking Rushville five. With 4 minutes to play and the score 35-33 in Rushville's favor, Bradley, speedy Rushville forward, scored 6 fast points which spelled doom for the Tigers. This was the last time for four boys, "Bunk" Weismiller, "Mike" Hafenbritle, Jerry Gray, "Bass" Denning, to make an appearance on a basketball floor for Lawrenceburg.

TIGER CUBS

Everyone who came early enough to see the Tiger Cubs play, saw the boys show good sportsmanship and enthusiasm in all of their games.

The Cubs had a winning season again this year. They won 14 games and lost only 4, and for the games they lost they made the victors fight hard to win. The North Vernon and Hagerstown games were lost only by one and two points respectively; and the Connersville and Madison games were hard fought.

Coach Bateman, the trainer, had a good lineup for this year. Dick Schneider, Russell Freeland, Gene Bonfer, Don Lacey, and Charles Warburton were the ones who set off the fireworks and for reserve Coach Bateman had John Calvert, Jim Eckstein, Bob Cooley, Bill Tibbetts, Bob Miller, Bob Stephenson, Herbert Cohen, Roger Kittle, and Paul Savage to help them. Bonfer, a Freshman, had been made one of the Tiger regulars.

The class of '45 is wishing the Cubs "good luck" and hope that they will have a winning season next year.

1st Row—Schneider, Vogel, Wood, Lemm, Lacey, Taylor
2nd Row—Kottas, Frankel, Kaffenberger, Gray, Freeland, Henson, Weismiller, Coach Bateman.

BASEBALL

Under the Big Top one of the best liked sports is baseball. Since baseball has been played as a part of our show, there have been winning teams. Last year the team won seven games and lost only one. This year we have an outfit which should make it a successful season.

Coach Bateman, trainer of the team, has worked hard with the performers to get them into shape. He has Gray as pitcher; Lemm, Parker, and Alexander as catchers; Warburton as first baseman; Vogel, Lacey, Kottas, Taylor, and Kittle as infielders; Frankel, Freeland, Schneider, Walser Macy, Jerger, Parker, and Ulrich as outfielders.

Gray, Warburton and Vogel are regulars from last year. Walser and Kittle are new troupers at this sport and they, with other underclassmen, will be good for other seasons.

1st Row—W. Ross, Korn, Barrott, Taylor, Ryan, Hayes, Lansing, Greive, Bechtol, Brookbank, Alexander.

2nd Row—Landman, M. Armbruster, G. Ulrich, Kreinhop, Frankel, Jerger, R. Ross, Williamson, Calvert, Anderson, D. McCann, Bennett, Gilb

3rd Row—Steuver, Olds, Tremain, Stahl, Batchelor, Callan, Gilmour, Hannan, Witte, Young

4th Row—R. Walser, Green, McCool, Corns, Banschbach, Brunner, Crossley, Meyer, Mr. Batthauer, G. McCann

5th Row—E. Armbruster, Ritzmann, McAdams, Reid, Zinser, Armstrong

INTRAMURALS

Since in Indiana basketball is a favorite sport, and since all boys who enjoy the game could not play on the Tiger five, the physical education department instituted intramural basketball at the circus headquarters. Here all are given an opportunity to learn the finer points of the game. A number of the Tiger regulars are troupers who have graduated from the intramural basketball into inter-school competition.

This year the class troupers were divided into two teams, A and B. A round robin tournament was played during the season which closed with an elimination tournament.

In the final game, a double overtime, the Senior A five won by a four point margin, 28-24, over a badly crippled Senior B. Members of these teams were: Senior A—W. Ross, Lemm, McLeaster, Lacy, Redding, Kaffenberger, Senior B—Parker, Taylor, Henson, Korn, Lemmel, Knue, Kottas.
